April Events:

April Program:

There has been a change in our Program schedule, Karen Margrave will give a talk about color. Please bring any tube of paint for the discussion about the information contained on each tube.

Mike Holter Workshop:

If you are planning to attend the Holter workshop, May 4-8, please give our Workshop Coordinator, Posey Gaines, or Treasurer Dede Burgess, a deposit of \$150.00 to reserve your spot. The scope of the workshop has been changed slightly to include both portraits and landscape techniques.

Plein Air:

Quite a few members have signed up for the spring Plein Air session for this spring. The location will be determined by the April meeting, when you, too, can sign up.

March Program: Whit Todd

Architect Whit Todd was invited to have a one man show at the TAC Gallery in the Brady District in February. The paintings were all done from photographs his grandmother had taken in Mexico in the 1950's. He was our featured program guest in March and painted a demo of one of the photos. Our members enjoyed his talk about his road to watercolor & his demo.
