Looking ahead

We will nominate & vote on a new Board for the 2017/18 session next November. Several slots have already been filled, but please give serious thought to becoming President, Vice President (workshops), Treasurer, Secretary, Programs or Publicity Director or Show Awards. We will soon be forming a search committee for the new Board.

Plein Air Painting

Seven members gathered to paint outdoors at the gardens behind Gilcrease on May 19th. We all enjoyed perfect temperatures and the quiet of the lily pond, the gazebo, and the birds singing.

Several Watercolor Society members took advantage of the quiet, beautiful scenery in the park behind Gilcrease Museum to get in a little drawing & painting.
